— MORE ADMISSIONS, EVERY SEASON

One Platform. More Engagement. Generate Qualified Leads. Increase Admissions.

Most PU Colleges market only during the admission season. NeoEra Connect runs a 10-month engagement engine — quizzes, webinars, newsletters and AI — that fills your funnel with informed, high-intent families long before admissions open.

THE NEOERA ADMISSION JOURNEY

From a curious search to a **confirmed seat**

20–40

additional admissions a year

Just **one** additional admission can
recover your **entire investment**.

Everything beyond that is pure growth for your institution.
